VSK Events - Providers of Quality and Innovative Services

Set up by Mr. Virat Agarwal in 2003, VSK Events is known for providing Cost effective solution to the needs of the client, the company is also known for its creativity and help the Clients in fulfilling their dreams by making their events memorable.

VSK Events has been delivering quality service to corporate and individual clients for more than 10 years. We excel in corporate events, Schools and College functions, new launch event, Exhibitions, Social events, weddings and Private Parties. Our experience reflects in the attention we pay to details, high standard of services, organizing skills etc to deliver an unforgettable experience to the Clients and Our in house Production unit helps us to customize each event as per Client requirement as it consists of skilled staff and materials such as theme decoration, lights- sound, Tentage, hanger structures, furniture, carpenters & skilled designers who work in coordination to yield successful & amazing results. This also takes care of the over-pricing issue as everything is available in-house with VSK. With a team of creative and Professional consultants, supported by specialized Professionals, VSK offers the necessary assurances and infrastructure to co-ordinate, manage and market events and conferences of any size, regardless of industry orientation. VSK has all the vital ingredients to conduct a sophisticated, glamorous and successful event. Armed with staff and consultants having great expertise in organizing events and parties, VSK makes long lasting impressions on their clientele.

Each event is handled to the best of our capabilities by planning well in advance, creatively handling each client requirement. Things don't happen but we make them happen for your events and this we deliver with the help of our dedicated team which aims to give the best shot to your important occasions.
